I would like to compliment the Dell team for a great virtual conference meeting – how many attendees?

There were approximately 90 listeners on the live meeting, including company participants.

Has Dell had to make use of any of the Federal Reserve's measures that have been unveiled since March 2020 in response to COVID-19?

No. The company has not made use of any of the Federal Reserve's direct measures related to the global pandemic. We remain focused on caring for the health and safety of our team members and their families, and doing everything we can to take care of the needs of our customers, partners and communities. For more information on our response, see the Dell Technologies [COVID-19 Fact Sheet](#).
